## Expanko Welcomes New Agent Serving Oklahoma and Arkansas

**August 28, 2020**— Expanko Resilient Flooring, a brand of Stonhard, is pleased to welcome Sondra McClendon and Sharon Russell of [McClendon Group](#) as new agents to its expanding network. Expanko has more than 20 agents supporting its distinct cork and rubber lines of flooring throughout the U.S. McClendon Group serves the architectural & design community, end users, and general contractors in Oklahoma, Arkansas and North Texas in the areas of education, healthcare, hospitality, retail, senior living, office, casino, restaurant, fitness, and government.

“We are excited to have McClendon Group join the Expanko team in Oklahoma and Arkansas. Sondra has an extensive background with over 25 years specializing in the contract market with products for interior designers and architects,” says Sally Reis, General Manager of Expanko.

McClendon Group has always focused on bringing unique products to its clients with an emphasis on customs,” says Sondra McClendon. “Expanko really has those unique offerings with the ability to customize as well as an excellent reputation as a proven manufacturer since 1945.” Sondra says McClendon Group is getting more requests for sustainable products like cork.

Both Sondra and Sharon have degrees in interior design, bringing a unique aspect to the business. “Sharon still practices interior design which allows her to really ‘talk the talk’ with designers,” says Sondra.

McClendon Group adds Expanko resilient flooring to its current offerings of furniture products and glass film.
